Attention: Ms. Sue Kiser

Dear Ms. Kiser:

With this letter, I am forwarding the Kern Council of Governments (KCOG) Administrative Amendment No. 10, which makes technical adjustments to their 2004/05-2006/07 Federal Transportation Improvement Program (FTIP). This amendment does not affect air quality conformity, timely implementation of Transportation Control Measures (TCM's) or financial constraints and does not result in major scope changes.

The changes are included and submitted by KCOG through the California Transportation Improvement Program System (CTIPS).

Since administrative amendments do not require Federal Highway Administration and/or Federal Transit Administration approval, this FTIP amendment has been amended into California's 2004/05-2006/07 Federal Statewide Transportation Improvement Program (FSTIP).

Please address any questions on this amendment to Penny Gray of my staff,  
at (916) 654-3521.

Sincerely,

A handwritten signature in black ink, appearing to read "Rachel Falsetti".

Rachel Falsetti, Chief  
Office of Federal Transportation Management Program
